How to Place an Order

Agencies may access CIO-SP3 SB through one of two methods:

- Direct Acquisitions allow the client agency to use an in-house or Agency contracting officer to access CIO-SP3 using the Direct Order/Direct Bill feature. NITAAC maintains a list of contracting officers who have been granted Delegation of Procurement Authority (DPA). If needed, obtaining a DPA is a simple, one-time process.
- Through “Best fit” Assisted Acquisitions, NITAAC pairs the right contracting officer with each requirement based on the size and/or complexity of the job, the culture of the client organization, the acquisition strategy necessary, and the contracting vehicle selected. NITAAC warranted acquisition professionals have extensive knowledge of contract types and IT requirements, and have awarded requirements in as little as 30 days.
- Agencies can take advantage of the CIO-SP3 SB GWACs for both Small Business and 8(a) Disadvantaged Small Business set-aides using the below contract vehicles:
